Greetings ... in the day of the Love of God ...

We have a new office ... Well ... is the same but now we are completing some reparations ... with intentions to begin to offer training in Our Courses.

I, Giovanni A. Orlando ... suffer the lost of my Mother in March 24, 2018 ... and first some logical concerns ... then the fall of support ... move us to enter in a Stand-By mode to complete a financial Operation ... that was concluded just yesterday.

Therefore we lose 6 months ... and may be we lose nothing.

For now we say ...

Thanks, Giovanni A. Orlando.

We back after a while ...
