Dr. Prof. Ioan-Iovitz Popescu

Some hours before I meet his book ... I got information about Samuel Tolver Preston (1844 – 1917) who wrote "The Physics of the Ether" ... similar to German Scholar Paul Drude (1863–1906) ...

Also see more books on <http://ipopescu.com/> Opening the Door to ... Interaction of Matter and Spirit.

Prof. Albert Einstein considered ... that Gravity is connected with ... "The Physical World" ... and "Aether" does not exist ...

One of the most incredible Truths ... also studied by Johannes Kepler ...

Figure 4
The Four Elements
Corresponding to the Four Lower Bodies
and the Four Planes of Matter

The "Etheric" World is a Plane ... which "Atoms" have a different behavior ... not like in the Physical Plane ... not like in the Mental Plane ...

We ... Humans do not have only ... "ONE BODY" ... here visible on Earth ... We have "MANY BODIES" ...
